G. MERRILL, Supt. St. Adams Vt., Dec. 3, 1860.

An aperient and Stomachic preparation of IRON 12 citied of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities both in Europe and the United States, and preparation their practice. The experience of thousands daily proves that no preparation of Iron can be compared with it Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions, indicate its necessity in himself every conceivable case.

and otherwise sickly complexions, indicate its necessity in simest every conceivable case.

Lunoxious in all maladies in which it has been tried, it has proved absolutely countive in each of the feltowing complaints, viz:

In Defility, Nervous Affections E naciation, Dyspepsia, Consumption, Diarrhea, Dysentary, Incidient Consumption, Scrofolous Tuberculosis, Salt Rheum, Mismenstruction, Whites, Chlorosis, Liver Complaints, Chronic I cadrehes, Rheumstism, Intermittent Fevers, Pimples on the Face &c.

In cases of General Debility, whether the result of scute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trief of this restorative has proved successful to an extent which no description nor written attestation extent which no description nor written attestation would render credible. Invalids so long bed-ridded would render credible. Invalids so long bed-ridded as to become forgotten in their own neighborhoods, have suddenly re appeared in the busy world as if just returned from protracted travel in a distant land.—Some very signal instances of this kind are attested of temale bufferers, emacisted victims of apparent marasmus, ranguineous exhaustion, critical changes, and that emplication of nervous and dyspeptic aversion to air and exercise for which the physician has no

In Nervous affections of all kinds, and for reasons fam liar to medical men, the operation of this prepara-tion of iron must necessarily be salutary, for, unlike the old oxides, it is vigorous y to ic, without being ex-citing and overheating; and gently, regularly aperient even in the most obstitute cases of c stiveness without ever being a gastric purgative, or indicating a disagree-able sensition.

Respectively Yours,
JNO, B SIMONS,
hem excellent.

Relle Vernor, Onto Jon 1.

Relle Vernor, Onto Jon 1

forms them.

In D spepsia, innumerable as are its causes, a single bex of these Chalybeate Puls has often sufficed for the most habitual cases, including the habitual Costiveness.

In unchecked Diarrhosa, even when advanced to Dysentary, confirmed, emaciating, and apparently maignant, the effects have been equally decisive and aster ishing.

ishing.
In the local pains, loss of flesh and strength, debit taking cough, and remittant heetic, which generally indicates incipient Consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.
In Scretnions Tuberchios s, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

culiarly affecting them.

In Rheumatism, both chronic and inflammatory—is the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and words.

In Intermittant Fevers it must necessarily be a great

remedy and energetic, and its progress in the new set tlements of the West, will probably be one of high renown and usefulness.

No rem dy has ever be n discovered in the whole history of melicine, which exerts such prempt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength with an unusual disposition for active and cheerful exercise immediately follows: a use.

distery follow is use.

Put up in neat flat metal boxes containing 50 pills. price 50 cents per box: for sale by dauguists and dealers. Will be sent free to any address on receipt of the price Al: letters, orders, etc., should be addressed to R. B LOCKE & CO., General Agents, N. Y. 25'yl F. E. Smith, Agent.

TO HORSE OWNERS.

DR. SWEETS INFALLIBLE LINIMENT HORSES is unrivalled by any, in at come of Lameness, arising from sprains, Bruses or Wrenching, its effect is magical and certain. Harness or Saddle Galls, scratches ange, &c, it will also cure speedily. Spavin and Ringtone may be easily prevented and cured in their incipants agas, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however is see esperate or hopeless but it may be alleviated by this Limment, and its faithful application will always remove the Lameness, and the lameness and the

strative ease.

Every horse owner should have this remedy at hand, or its timely use at the first appearance of Lauceress will effectual y prevent those formidable diseases monioned, to which all horses are liable, and which remain o many otherwise valuable horses nearly worthless,

> Pimples Banished! Faces Made Clean!

By one week's use of the Magnolia Balm. A perfectly harmless but elegant and effected preparation.

price 50 cents per bottle. Sold everywhere. F277m3.
